

SCHOOL SUPPLIES

The Braelinn PTO is offering pre-packaged school supplies for your child. As always, the PTO is working to do the best for our families and the school.

Each grade level will have a list of school supplies. Each classroom will also have a wish list of supplies. These items are great to pick up for your teacher while you do your regular shopping and are NOT in the pre-packaged school supply kit. Each teacher will have a different list. Some items on the wish list may be:

- *paper towels
- *anti-bacterial hand soap
- *tissues
- *Clorox wipes
- *hand sanitizer
- *all-purpose spray
- *zip-lock bags

In addition to the pre-packaged school supplies, a binder will be required in grades 2 through 5. A binder will NOT be in the pre-packaged supplies. The following binders will be required:

- 2nd grade 1" 3-ring heavy duty plastic binder
- 3rd grade 2" 3-ring heavy duty plastic binder
- 4th grade 1 ½ - 2" 3-ring zippered binder
