Dear Rebecca,

Braelinn Elementary PTO has been selected as an Editors' Choice in the 2008 Parent Group of the Year search.

Congratulations from all of us at PTO Today!

Strong parent groups play a key role in creating successful schools and improving education. Too often, that role goes unnoticed and unappreciated. We began the Parent Group of the Year search eight years ago as a way to celebrate parent groups like yours—groups that are doing great work.

Enclosed is a certificate recognizing your group's accomplishment. Congratulations again, and best wishes for the year ahead.

Sincerely,

Craig Bystrynski
